

THE HKIE FIRE DIVISION 10th ANNUAL SYMPOSIUM 2018

REJUVENATION OF BUILDINGS AND INFRASTRUCTURES

Date: 21 September 2018 (Friday)

Time: 9:00am - 5:00pm

Venue: Jockey Club Auditorium
The Hong Kong Polytechnic University

THE HKIE FIRE DIVISION 10th ANNUAL SYMPOSIUM 2018

REJUVENATION OF BUILDINGS AND INFRASTRUCTURES

HIGHLIGHTS

To promote the advances in science, technology and practice of Fire Engineering, the Fire Division of The Hong Kong Institution of Engineers will organize its 10th Annual Symposium in September this year. The theme of the Symposium is "Rejuvenation of Buildings and Infrastructures".

Dr CHEUNG Tin-cheung, JP, Director of Buildings, HKSAR Government has kindly consented to be the Guest of Honour and will deliver an opening speech. Prominent scholars, engineers and related professionals from local and overseas will be invited to share their experiences and insights in the enhancement of fire safety of buildings and infrastructures with the audience at the Symposium.

SPEAKERS & PRESENTATION TOPICS (in alphabetical order)

Speakers	Title	Theme / Topic
Mr Chris AU Kwok-ping	Divisional Officer of Building Improvement Division 1, Fire Services Department, The HKSAR Government	Flexible and Pragmatic Measures in Relation to the Enforcement of the Fire Safety (Buildings) Ordinance, Cap. 572, Laws of Hong Kong
Ir FONG T.C.	Senior Building Services Engineer, Architectural Services Department	Adoption of Fire Engineering Approach in Renovation of Heritage Building
Prof Richard LIEW Jat-yuen	Professor, Department of Civil and Environmental Engineering, National University of Singapore, Singapore	Performance-based Approach to Fire Safety Design of Structures
Dr LIN Peng	PhD, Associate Professor, Associate Dean, Department of Fire Safety Engineering, Southwest Jiaotong University, Chengdu, PRC	Characteristics of Smoke Movement in Tunnel
Ir Dr Allen SUN Xiao-qian	Associate Director, Fire Engineering, Arup	Fire Risk Assessment and Management for Super High-rise Buildings
Prof Asif Sohail USMANI	Professor and Head of the Department of Buildings Services Engineering, Faculty of Construction and Environment, The Hong Kong Polytechnic University	Some Thoughts on Smart Solutions for Fire Safety in Dense Urban Environments
Prof YEOH Guan-heng	Professor, School of Mechanical & Manufacturing Engineering, University of New South Wales, Australia	Risks Assessments of Non-compliant Materials on Buildings
Mr Joseph YU Kwok-hung	Chief Building Surveyor/Fire Safety, Buildings Department, The HKSAR Government	Implementation of the Fire Safety (Commercial Premises) Ordinance, Cap 502 and Fire Safety (Buildings) Ordinance, Cap 572
